STRATEGIC GRANTS RECIPIENTS

And the successful strategic partnership
grant recipients are.....

Strategic Grants Recipient

Recipient: Te Rōpū Whakahau

Project Name: Mātauranga Māori Professional Development

Grants Amount: \$200,000

Summary:

To deliver a suite of Mātauranga Māori Professional Development workshops to upskill existing and new library professionals.

TE RŌPŪ WHAKAHAU
waiho i te toipoto, kua i te toiroa

Strategic Grants Recipient

Recipient: Te Rōpū Whakahau
(partnering with Te Takarangi project)

Project Name: Te Takarangi ki te Ao

Grants Amount: \$150,000

Summary:

A new programme, working with iwi and libraries across Aotearoa to expand knowledge and appreciation for Māori scholarship, mātauranga and academic excellence.

Strategic Grants Recipient

Recipient: LIANZA

(partnering with the NZ Book Awards Trust)

Project Name: New Zealand Book Awards for Children and Young Adults - Books Alive

Grants Amount: \$76,000

Summary:

To enable the Books Alive and virtual storytimes to be an integral part of the NZ Book Awards for Children and Young Adults in 2021 and 2022. This initiative builds on the virtual storytimes made possible during Level 4 lockdown by LIANZA in collaboration with Copyright Licensing NZ and Coalition for Books.

Strategic Grants Recipient

School Library Association of New Zealand Aotearoa
Te Puna Whare Mātauranga a Kura

Recipient: SLANZA

Project Name: Communities of Learning/ Kahui Ako and School Libraries
Collaboration Pilot Programme

Grants Amount: \$48,000

Summary:

To deliver a pilot programme to include school librarians from two divergent regional schools onto a Community of Learning Kāhui Ako. A Community of Learning is a group of education and training providers working together to help learners achieve their full potential. These communities can include early learning services, schools, kura, and post-secondary education providers - but to this point they have not included school librarians.

Strategic Grants Recipient

School Library Association of New Zealand Aotearoa
Te Puna Whare Mātauranga a Kura

Recipient: SLANZA

Project Name: School Librarians Collaboration with 'Many Answers' Pilot Programme

Grants Amount: \$200,000

Summary:

A pilot for a small group of school librarians to curate and develop Many Answers entries for the popular Any Questions online resource for students. This pilot focuses on content creation and curation of online New Zealand resources, especially local resources, including working with local iwi and incorporating te reo and mātauranga Māori.

Strategic Grants Recipient

School Library Association of New Zealand Aotearoa
Te Puna Whare Mātauranga a Kura

Recipient: SLANZA
(partnering with Tohatoha)

Project Name: A Bit Sus

Grants Amount: \$150,000

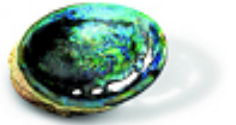

Summary:

To extend a pilot programme “A Bit Sus” – a misinformation education involving school libraries.

Strategic Grants Recipient

Recipient: LGNZ

*Local Government
New Zealand*
te pūtahi matakokiri

Project Name: Employ a full time "Libraries Adviser" for 2 years

Grants Amount: \$450,000

Summary:

For a two-year trial of a full-time “Libraries Adviser” to highlight and promote the value of libraries and their contribution to the achievement of local government’s purpose. This grant recognises the important role libraries play in their communities and the need to raise awareness of this role within the local government environment.

Strategic Grants Recipient

Recipient: PLNZ & Taituarā

Project Name: Public Libraries Co-Cre8

Grants Amount: \$550,000

Summary: A joint initiative between Public Libraries New Zealand (PLNZ) and Taituarā that will drive a coordinated approach to national data collection that is sharable and reusable by others within the public library sector. The funding will bring together the data intelligence of the Taituarā Community Well-being Data Service, used in almost 50 councils, with PLNZ's LibPAS data from 300-plus libraries nationally. Drawing these resources together is expected to help build an evidence base on the value of public libraries now and into the future.

Strategic Grants Recipient

Recipient: LIANZA & SLANZA

Project Name: Strengthening the Library and Information Workforce: Tertiary Grants

Grants Amount: \$1,500,000

Summary: A joint initiative between LIANZA and SLANZA will provide tertiary grants to support library studies across New Zealand and deliver a qualification 'uplift' for the library and information sector. It will provide tuition grants to enable people to complete an undergraduate or post-graduate library and information qualification and gain professional registration.

Grants Recipient

Recipient: Te Puna Foundation

Project Name: Communities of Readers (CoR) Phase 2

Grants Amount: \$850,000

Summary:

To deliver phase two of Communities of Readers, establishing two to four partnerships in areas of high need. Phase two will build on the experience, insights and successful strategies developed in the first phase of the programme, which aims to strengthen reading engagement and inspire young people to read for pleasure. It will work in partnership with local public libraries and/or school libraries in each project and grow the capability and capacity of library sector partners, including through secondments into public and/or school libraries. The projects will bring together libraries, community organisations, schools (including kura and Māori medium), iwi/Māori representation, and central and local government agencies to shape project outcomes that benefit the local community.

Strategic Grants Recipient

Recipient: Auckland Libraries,
CONZUL (partnering with the University of Canterbury)

Project Name: Library Engagement Research for Maori Pasifika Community

Grants Amount: \$500,000

Summary:

The University of Canterbury, Auckland Council Libraries and the Council of New Zealand University Librarians (CONZUL) have a shared interest in a project that will, in partnership with their communities, build on and enhance insights with targeted research. The research will inform and develop new library service design which is founded in a kaupapa Māori approach, will improve whānau well-being, and will increase confidence in using library services to support success in education.

Getting West Coast stories online is best done by recruiting and training volunteer editors from the community and supporting them over 18 months, so they form a self-sustaining editing community. Some will be working with photo collections, looking at ways to digitise them and make them more widely available and shareable. Some will be working with books — getting some out-of-copyright and out-of-print historical works online.club activities.
